Notes: Data are for year 2000 (most recent available at municipality level) unless otherwise noted.

North Randall rates may not be statistically valid due to its small population.

- (1) Students must demonstrate performance at the proficient level or above in all five subject areas (social studies, mathematics, science, reading, and writing) to meet graduation requirements. Suburban groups and county rates are median rates.
- (2) Near poverty is defined as the percent of persons whose incomes are above the federal poverty level but are less than 200 percent of the threshold income level, which was \$17,029 for a family of four in 2000.
- (3) Using 2007 population estimates based on 2000 census to calculate rates.
- (4) Tally of total number of reported disabilities; one person can have up to five disabilities. See *Older Persons Social Indicators 2003-2004*, Indicator 20.
- (5) SCHIP is State Children's Health Insurance Program, also known as Healthy Start.
