Agenda

- I. **Check-in: What are you noticing in your environment that relates to this project?**
 - a. Try to have a state-wide meeting to hear other perspectives
 - b. People are becoming more vocal about what they want in terms of social issues
 - c. COVID-19 is showing us that normal never was, and there isn't anything to return to
 - d. One-on-one or face-to-face engagement is not able to happen as much
 - e. The movement is overshadowing COVID-19 at times

- II. **Planning the 1st Stakeholder Meeting**
 - a. Epidemiology Overview
 - i. Have community member expressed the data they want?
 1. Comprehensive transgender data (CPH has a small data set)
 2. Ask stakeholders what they want to see in data, and how they want to see it (e.g. graphs and percentages might be overwhelming)
 - ii. **Action Item:** Audrey can send 15 slides of data to Advisory for feedback
 - b. Overview of EHE process
 - i. Think about having a brief synopsis of the EHE pillars on registration, so they can easily choose what they want to participate in?
 - ii. Will not post Zoom info publicly to avoid "bombing" or "hacking" of meetings
 - c. Marketing the stakeholder discussions
 - i. Brandon willing to share with his organization
 - ii. Share information w/orgs. like TransOhio & Mosaic and have them send out to their clients

- III. Facilitation of discussion
 - a. Establish ground rules for etiquette beforehand on Zoom calls
 - i. Ronald Murray and Brandon Chapman willing to lead stakeholder groups
