Agenda

I. Community Conversations

- a. Two more focus groups coming up, next one on Sep 1, 6-7pm
- b. Audrey will get info out to larger group on details

II. Review Feedback Summary from Stakeholder Meeting (see slides)

- a. July 22nd & 30th
- b. Grouped by 4 pillars
 - i. Diagnose: What prevents people from getting tested for HIV? What could we do to improve? What services are we missing? What else should be considered?
 - ii. Treat: What prevents people from entering care when they are positive?
 - iii. Prevent: What has worked in reducing transmission?
 - iv. Respond: What has worked to get people into treatment?

III. Situational Analysis Review (see slides)

- a. How Ryan White works
- b. Programs, funders, and sites/models in each pillar
- c. Feedback on Strengths, Weaknesses, Opportunities, Threats (SWOT Analysis) in each of 4 pillars

IV. Advisory Committee Matrix

- a. Members should complete to help us make sure we have the best representation on the committee
