Jeannie Citerman-Kraeger	Kristin Englund	Laurie Rickert
Gloria Agosto Davis	Vino Panakkal	

Agenda

I. Virtual Community Forum

- a. 9 people registered for Nov 12 forum, and 10 for Nov 13 forum
- b. CCS will facilitate
- c. May reach out to advisory members to facilitate if numbers get any larger

II. Review of Respond Strategies

- a. Outbreak Response
 - i. Much if this pillar is defined at ODH's level, and 3 jurisdictions and ODH are meeting tomorrow to discuss
 1. Add something to state that ODH is the body developing this part of the plan, and that it is integrated with the local workplan, and that there are steps that still need to occur at local level if something were to happen
 2. CCBH does have a current plan
 3. Language: "Coordinate with ODH to develop a local plan..."
- b. Partner Identification
 - i. First bullet: add the fields listed here into the ODRS System to expand the collection of data? (Already seems to be included)
 1. Looking at a new platform (on hold for a second until getting more info)
 - ii. Ohio criminalization law would link back to some of the other strategies we have; maybe make more detailed?
 - iii. Change bullet to provide test kits AND vouchers?
 1. Consider what meets the clients where they are (allowing them to test on their own terms)
 - iv. Consider best practices to identify an outbreak for local staff involved
 - v. Have community input on molecular surveillance
 1. Health dpt. doesn't have access to the info that CFAR gets, so write out the coordination that is needed to do so
 - vi. Consider what we can do to build trust with the community, and build into this pillar

III. Reviewing Previous Strategies

- a. Modernize HIV Laws
 - i. Add language/sentence on explaining what U=U is
- b. Data Infrastructure
 - i. Add something regarding demographics; if we want to decrease inequities then we need to be able to measure it
- c. Social Impact Media
 - i. EMR prompt to send alerts to PCP about patients needing HIV test, etc.
- d. Priority Populations
 - i. Change sex workers to community sex workers
 - ii. Engaging people from priority populations into the work for decision making and implementation design and fit into the strategy
- e. LGBTQ and Gender Affirming
 - i. Engaging people from priority populations into the work for decision making and implementation design and fit into the strategy
 - 1. Expanded in the strategy to include the larger LGBTQ community

IV. Check-In on Strategies

- a. Just present strategies at forums, and not the activities
 - i. Will take note of any activities that are suggested that we have not thought of

V. Next Meetings

- a. Nov 16th: Meet to debrief on what happened in virtual forums
- b. Nov 23rd: To discuss next steps for implementation and structure moving forward
- c. Advisory will be sent a draft to review and provide feedback on what it looks like as a document
 - i. Week of Nov 16th will be sent a few examples of templates to give thoughts on the look of the document
 - ii. Week of Nov 23rd will send a draft by Thanksgiving to get feedback, and get to ODH by first or second week of December
