Agenda

I. Virtual Forum Review

- a. Based on feedback this will not be the last version of the plan, many changes will be needed in systems, etc.
- b. People would like to see more detail on Strategy 2 in Respond
- c. Reducing stigma was a big concern
- d. Want to see youth involvement, and from community orgs. like churches (as it can be a source of stigma, and a source of missing support)
- e. Want to see housing called out much more explicitly
- f. Having strategies on transgender groups, etc. separate helps to call those issues out
- g. Outreach needed for providers who are not familiar with or do not prescribe PrEP, and not only relying on those providers who already do
- h. Looking at intersectionality more especially in mental health
- i. May need to emphasize some areas differently
- j. Need variety in condoms provided
- k. Reform practices around reaching out to previous partners to protect privacy, and reduce stigma
- l. Learn from COVID in making practices better in HIV space
- m. Be aware of legal implications of some strategies in writing and implementation
- n. Community wanting to review plan once more after new changes are added, and for them to see that their participation was meaningful before it is finalized
 - i. Come back to committee with draft plan, then go to state for review; have a community ad hoc group along w/ Planning Council for next steps as moving forward and continuing to finetune strategies in listening sessions
 - ii. Email out entire plan to community member to help them see the micro level of activities that are being implemented
 - iii. Emphasize that this is a “living” document that will go thru iterations over the years
 - iv. Can add a limitation section to be upfront and help set realistic expectations for implementation and feasibility

1. Create strategies that are broad enough for wiggle room, but that are meaningful to community members
- v. Have a VIRTUAL celebration to reveal the plan to those who have engaged, and invite them to be apart of the ad hoc group either by email, or at the event

II. Revising the Plan

- a. *Option 1*: CCS staff can review and edit the plan based on feedback
- b. *Option 2*: CCS summarize the overall picture and committee break up into groups by pillar and work on revising and editing collaboratively
- c. Group would prefer option 1, and committee can provide feedback by email throughout the process as sections are completed
- d. Will come together again on Nov 23rd, and fully review the overall plan and discuss specific sections as needed, and layout structure of what everything will look like after submission of plan
- e. Draft strategies will be shared with CCPG in a meeting within the next few weeks
- f. Events being held from national groups regarding EHE planning on Wednesday (NMAC) <https://www.surveymonkey.com/r/V9LRD29> & Friday (NASTAD)
