Agenda

I. Additional Comments

- a. Consider adding an action item that is specific to the MSM community b/c they are disproportionately impacted
 - i. Possible wording: "Monitor and analyze testing and viral suppression data among MSM population"
- b. Formatting cut off words in goal discussing "...race over..."
- c. Change "Ending Systemic Racism" in pyramid to "reduce" or "address" for consistency
- d. "Provide youth friendly clinic services": include other things in parenthetical like environment, location
- e. "Factors for Success" (additional section)
 - i. Made sure that the need for policy changes was addressed
 - ii. Include something about youth treatment and needing privacy in regards to parents' insurance
 1. May need to add something about insurance company respecting youth's privacy in the same way that medical treatment can be offered w/o telling a parent
- f. Situational Analysis
 - i. Will be an appendix in the plan
 - ii. Could bring further up into plan to make sure that people see/read since some do not read the appendices
 - iii. Do we feel it reflects some of the work being done already? (e.g. HOPWA, etc.)
 1. (Went thru each strategy and changed action words to show which ones are already in progress)

II. Moving Forward

- a. Small group to stay on the call and finish out cleaning up language, and send back out to vote on by email
 - i. **Action item:** LaRaun and Jeannie will work on cleaning up the housing portion today and send back to Emily M.
